BEFORE ME, the undersigned authority, personally appeared DENA LEE AMMONS and after being duly sworn on his/her oath stated as follows:

"My full name is Dena Lee Ammons. I am a white female. My date of birth is [REDACTED] I live at [REDACTED], Amarillo, Texas and my phone number is [REDACTED]. Work phone number [REDACTED]. I hold DL # [REDACTED] and Social Security number [REDACTED].

"I wish to say that I am a registered nurse and from 1997, 1998 through 2001 I was employed by Northwest Texas Hospital in the Obstetrics Department. At that time I met Veronica Vas. She was a Texas Tech Resident. I was assigned to be her nurse and manage her patient caseload. We became friends. I knew her during the time she was separated from Dr. Shelton and they were going through a custody battle. One day she had taken Dr. Shelton's income tax records and brought them to the clinic and I helped her make copies of the records. Veronica was frantic and wanted to return the records back to the file before Dr. Shelton realized they were missing. Veronica and I worked well together. She had a tendency to be disorganized and I helped keep things straight for her. After working with her for several years, I noticed a behavior change during her pregnancy with Isis. Veronica told me she loved being pregnant and would not tell me who Isis's father was. Veronica would come to the clinic and her appearance would be in disarray. She was very temperamental. We, the Texas Tech Residence and I, talked about her changes and Veronica's sexual advances toward male residence. Also when she was on call, she was hard to be found, so the other residence just did without her assistance. Many of the other residence didn't
